

Executive Committee Elections 2019

Dear colleagues from all over Europe,

We need your support and engagement in continuing the fruitful work of COTEC!

In 2019 the COTEC GA needs to elect 4 new persons to the following posts on the Executive Committee - President, Vice President Administration and two Members.

Petra Schwab (Austria), Elisabete Roldao (Portugal), Pierre Seeuws (Belgium) - Electoral Committee 2019

The official call for nominations will be sent out in the beginning of 2019. Nevertheless, we already ask you today to start considering yourself or occupational therapists (members) from your national association or another Member Association to be nominated for one of these posts.
