

European Health Professional Dialogue

On September 27, COTEC president Stephanie Saenger had the 3rd face to face meeting with the group of the EHPD. This meeting in Rotterdam was kindly hosted by European Federation of Dieticians prior to their conference <http://efadconference.com>.

During this meeting the participants gave a short presentation about their organisation and the aims of this group were discussed. COTEC's presentation in this meeting can be found [here](#). It was decided the group would work on a joint memorandum for the European Political parties to urge them to make Allied Health Professions and Health policy a priority in their political program.

After this meeting Stephanie was invited to join the 40 years EFAD celebrations reception.
