

Obituary Maeve H. Mallinson (Groom) FCOT

10 June 1940 - 13 October 2018

The Executive Committee is very sad to announce that COTEC former president Maeve H. Mallinson (Groom) has passed away on Saturday October 13, 2018

Maeve worked in a number of different hospital trusts in England and held several posts as Head of Rehabilitation. Maeve also lectured at the Derby School of occupational therapy and served at RCOT Council.

In 1962-63 she helped set up occupational therapy services for paraplegics in Inselspital, Berne, Switzerland.

Maeve became UK delegate to COTEC in 1994. She has been active in COTEC as Honorary Secretary from 1994 – 2000 and was President from 2000 - 2003. Anu Söderström and Stephanie Saenger have worked with Maeve in those years and remember her as a person full of life and fun and a very dedicated delegate, honorary secretary and president. She had the ability to always make all delegates at COTEC meetings feel welcome and valued.

We offer her family and her loved ones our condolences.
