

**Addendum to the Action Plan agreed at the GA October 2014.**

- As requested by the GA, the Introduction now includes an additional statement about the policy direction towards 2020.
- The Action Plan excel spreadsheet :
  - Has an added column entitled 'Category' to reflect the three main areas of work as identified in the Introduction, rather than only creating a heading for the political work as requested.
  - Has regrouped the individual actions under one of the three headings, and as a consequence has renumbered them.
  - Has incorporated the additional actions agreed by the GA into the most appropriate existing actions e.g. Eurocarers (action 7) and Experts (action 11).
  - Has added an additional action under Governance to enhance and support the work of the Executive through the use of Dropbox. (action 17)
  - Has added an additional action under Governance to address the issue of compensation for loss of validated earnings (action 18)
